

# SOANE

BRITAIN

Job Title: **Metal Polisher**

Location: **Pinfold Road, LE4 8AS**

Department: **Manufacturing**

Position Reports to: **Operations Manager**

## Company Overview:

With an uncompromising commitment to British manufacturing, Soane Britain's mission is to design and make enduring and life-enhancing furniture, lighting, fabrics and wallpapers through collaborations with a network of the finest craftspeople in Britain. Soane combines responsibly sourced, high quality materials and superb workmanship to ensure our designs endure for generations.

Our talented team is based in offices and workshops in Leicester and the West Country and showrooms in London and New York. For more information, please visit [www.soane.com](http://www.soane.com) or join our social media platforms Pinterest and Instagram.

## Purpose of the Position:

Soane Britain is proud to have only rattan workshop in the UK. Due to the continued demand for our rattan furniture and lighting our workshops have expanded rapidly in the Thurmaston area.

Our Thurmaston workshops accommodate several manufacturing processes to complement our rattan manufacturing. The most significant is a dedicated fabrication, patination, assembly and wiring facility. The role will be responsible for the preparation and polishing of brass components to a very high standard to then be used in our lighting workshop, ensuring quality the production schedule is maintained.

The successful candidate will be working with the Finishing Specialist and Fabricator to deliver outstanding designs to agreed QC specifications, on time and on budget.

Soane is committed to expanding its operations in Thurmaston and this newly created role will offer the opportunity for the successful candidate to grow with the business and with a positive attitude will lead to more responsibilities, opportunities and professional challenges.

Due to the nature of the small team at Leicester the role will require a can-do attitude and the candidate must not be afraid to get stuck in with the task at hand, be enthusiastic and self-motivated. This role is suitable for someone with a keen eye for detail and the ability to achieve the excellent standards for which Soane Britain is well known.

## Duties and Responsibilities:

- Polishing and preparation of brass components for finishing to a high standard
- Responsibility for components and consumables within the polishing workshop
- General workshop maintenance and housekeeping
- Maintaining a safe working environment at all times

## Qualifications for the Position:

- Experience of metal polishing (Minimum 2 years)
- Experience of using hand and power tools
- Experience of finishing processes welcome (hot and cold patination)
- Experience of electrical wiring welcome
- Interest and existing knowledge of luxury furniture and lighting a bonus

For details of Soane's benefits, including long term service benefits, please refer to the current Benefits Sheet.
